Outgrid Labs

Sales Sheet

Who we sell to, what to ask, what to quote, and the steps to the advance.

1 Who we sell to

Owner buried in manual orders — **₹1.15–3L**
Supermarket, distributor, wholesaler. **Says:** orders come on WhatsApp or phone, gives a daily count. **Buys:** order website or app + admin + WhatsApp agent.

Owner who runs on bookings — **₹1–2L**
Clinic, coaching class, salon, tour operator. **Says:** appointments by phone, no-shows. **Buys:** booking website or app + reminders.

Team running on Excel and WhatsApp — **₹2.5–4L / phase**
Real estate, loan and finance, insurance, multi-branch. **Says:** team, branches, can't track leads or files. **Buys:** CRM or business system.

Founder with idea and money — **₹2–4L**
Any app. **Says:** his capital, what he has already done. Never says "franchise". **Buys:** first version of his app.

Institutions — **₹3–4L+**
Schools, colleges, coaching chains, hospitals. **Buys:** management system with fees, records, reminders.

2 First two questions

Q1
तुमचा कोणता business आहे, की नवीन सुरू करायचा plan आहे?
What kind of business do you have, or are you planning to start one?

Q2
तुम्हाला नक्की काय करायचं आहे: App, Website, WhatsApp orders automation, की team साठी software?
What do you want to get done? Not sure? Just tell me the problem.

40 · 30 · 30
Start · working demo · launch

Setup included
Server setup and app store launch

Client pays fees
Servers, store accounts, WhatsApp API, SMS

Big scope?
Split into phases, each ₹4L or less

4 Steps to the advance

1. **Chat**
   Same channel they came from: DM or WhatsApp. Ask Q1 and Q2, share the price range.
2. **Call**
   Phone or WhatsApp call to get full clarity.
3. **Proposal**
   Prepare it. Don't send it alone.
4. **Google Meet**
   Walk through the proposal and show the demo app.
5. **Close**
   On this Meet, or the next one.
6. **40% advance**
   UPI link → agreement → kickoff.

5 We don't take

- Dreamers with no money
- Franchise-seekers: we build their business, we don't sell one
- Ride apps like Ola/Uber: licence costs ~₹3L in fees + ~₹15L in deposits

Proof to show
- Our delivery demo app (Android)
- Booking marketplace built for a European company
- Our own loyalty platform
